PROJECTS

ADELPHI WHARF - 600 APARTMENTS

fortis
group

Adelphi Wharf is a residential project in Salford comprising 3 high-rise apartment buildings overlooking the River Irwell. Containing 600 apartments, the Adelphi Wharf project provides luxury apartments in the heart of Salford, primarily aimed at short-let tenants.

This project was built in 3 phases as each of the 3 apartment buildings was constructed, and we worked with the client to supply and install furnishings as the apartments were finished. We delivered and installed Phase 1 in just 12 weeks, designing bespoke furniture based on the client's requirements and their design vision before delivering and installing it in the finished apartments.

PROJECTS

HOLIDAY INN HOTEL

Manor Interiors proudly undertook the furnishing of the Holiday Inn Birmingham, bringing a blend of modern elegance and comfort to this renowned hotel. Our team meticulously selected a range of high-quality furniture that perfectly complements the hotel's contemporary aesthetic while ensuring the utmost comfort for guests. From the stylish guest rooms to the inviting common areas, every piece was carefully chosen and installed to enhance the overall ambiance and functionality of the spaces.

Throughout the project, Manor Interiors worked closely with the Holiday Inn team to ensure that every detail aligned with their vision. Our expert installers handled the delivery, assembly, and staging with precision, creating a cohesive and welcoming environment. The end result is a beautifully furnished hotel that not only meets but exceeds the expectations of its guests, reflecting both the high standards of the Holiday Inn brand and the commitment to excellence that Manor Interiors is known for.

MANCHESTER WATERS - 300 APARTMENTS

vermont

The Manchester Waters project includes the regeneration of a former 26-acre brownfield dockland site, located between Manchester City Centre, Salford Quays, and MediaCityUK. The Manchester Waters buildings are the first phase of the transformational Pomona Island development which will deliver 742 homes across five apartment towers for the private rental market.

The Pomona Island regeneration plan is the 20th XI scheme to be delivered in Manchester, and we worked with the developer to furnish 300 apartments in the new Manchester Waters buildings and create a brand-new urban living project. These towers are 20 stories high and provide hundreds of multi-tenure development opportunities for young professionals and families alike.
